Criteria for awarding the scholarship

The scholarship will be awarded on the basis of future professional and leadership potential, as demonstrated by the quality of the essay and the recommendation submitted in support of the scholarship application.

We will also be looking for candidates who can demonstrate a proven track record of success (educational and professional) through their MBA in International Management programme application and performance at interview.

The Scholarship Committee will review all elements of your application to assess your potential contribution to the ongoing success of the MBA in International Management and commitment to ESCP Business School through ambassadorial work.

The scholarship amount is **€15,000**. It may not replace the down payment required to secure a place in the programme.

The full amount of the award will be deducted from the balance of the tuition fees for the programme.

The judging panel is made up of members of the Admissions Committee and includes representatives from the ESCP Business School Faculty, the MBA in International Management Programme Director and the MBA in International Management Dean.
